Open to relocating to New York City

SUMMARY

Customer-facing operator who builds the AI tooling underneath the work. A year of end-to-end commercial real estate investment sales, run on prospecting databases and AI automations built firsthand, now applied to deploying AI workspaces and agents inside business teams.

PROFESSIONAL EXPERIENCE

THE KISLAK COMPANY Miami Lakes, FL
Regional multifamily investment-sales brokerage
Sales Associate July 2025 – Present

- Carried a solo exclusive listing on a $1.7M, 8-unit multifamily asset, owning pricing, valuation, positioning, broker outreach, and buyer tours end to end, and generating 7 competing offers for the seller
- Drove ~100,000 marketing impressions on the listing through a targeted regional investor and broker campaign
- Executed outbound calls and emails against daily activity targets, booking 50 first meetings with owner prospects and contributing to 5 exclusive listings won by the team
- Assembled a 900-owner, 1,500-property prospecting database by hand from 5 public and commercial data sources
- Built a Claude and n8n enrichment workflow appending contact and property data to outbound lists, cutting ~10 hours of manual list building and research per week
- Helped launch the firm's South Florida expansion office, standing up outreach and operating infrastructure

1214 VENTURES Remote
Early-stage AI automation and implementation-consulting startup
AI Operations Associate May 2026 – Present

- Deployed AI workspaces and function-specific agents across sales, marketing, customer success, operations, and finance
- Completing a company-sponsored 12-week AI implementation program, Automate to Accelerate

MERCOR Remote
AI training and evaluation platform for frontier AI labs
AI Model Evaluator May 2026 – Present

- Graded frontier model outputs in head-to-head comparisons to inform model training, ~10 hours per week

NATIVE REALTY Fort Lauderdale, FL
South Florida residential brokerage
Summer Intern June 2024 – August 2024

- Ran comparative market analyses to set valuations and pricing strategy
- Collaborated with agents across 20+ listings on client communications and transaction coordination

TITN DEVELOPMENT Fort Lauderdale, FL
Residential real estate development group
Real Estate Development Intern June 2023 – August 2023

- Devised a standardized communication plan streamlining coordination across active builds
- Supported pay applications, cost tracking, and reconciliation on multi-million-dollar residential projects

PROJECTS

MUTTER | Native iOS Golf Betting Scorecard App 2026

- Designed, built, and shipped a native iOS app to TestFlight solo using Claude Code
- Solved handicap stroke allocation by hole index across 4 wagering formats, the gap found in ~20 competing apps

AGENTIC AI VOICE ASSISTANT | Personal Project January 2026 – Present

- Combined ElevenLabs, n8n, and Perplexity for outbound calls, market reports, email drafting, and scheduling

SKILLS & CERTIFICATIONS

- Tools: Claude, Claude Code, n8n, ChatGPT, ElevenLabs, Perplexity, NotebookLM, Notion, Granola, Wispr Flow, Apify
- Certifications: FactSet (2024), FL Real Estate License (2025), Argus Bootcamp (2025)

EDUCATION

FLORIDA STATE UNIVERSITY Tallahassee, FL
Bachelor of Science in Business Administration, Real Estate & Finance May 2025

- Dean's List; completed a semester at FSU's London, England campus (January 2023 – April 2023)
- Activities: Jewish Business Club (Vice President); Club Golf Team (+3 handicap, 2021 national club champions)
